Dear [REDACTED]

This is in response to your February 12, 2015 request under the *Right to Information and Protection of Privacy Act* in which you ask for "Locations of current and planned abortion services in the Horizon Health Network and Vitalité Health Network" for the period of April 1, 2014 to February 12, 2015.

In response to your enquiry, please note that as of February 12, 2015, abortion services have been and are currently being offered at the Dr. Georges-L.-Dumont University Hospital Centre in Moncton as well as the Chaleur Regional Hospital in Bathurst. Both of these hospitals are part of the Vitalité Health Network. Abortion services are also expected to be offered by the Horizon Health Network. The details of the service offerings have not been finalized or announced at this time.

Sincerely,

Hon. Victor Boudreau
